# ATRCA Bulletin

30<sup>th</sup> October 2017

1. Because of the persistent effort being put in by the volunteer team we are glad to bring to you the progress we made on logistics and social service aspects of the ATRCA during the past month.
2. We are happy to announce that the official registration of the ATRCA is complete and we are now an official organization registered in Florida as “ATRC ASSOCIATION, INC.” The Articles of the Incorporation can be found at:  
<http://search.sunbiz.org/Inquiry/corporationsearch/ATRCASSOCIATION>  
<http://search.sunbiz.org/Inquiry/CorporationSearch/PDF>
3. We had also filed for an Employer ID and have received the EIN with letter form IRS, which is required for all official communication with US Government.
4. With the official registration complete now we will move forward with ATRCA bank account application and then 501(C)(3) process which is an IRS official non-profit status for the organization.
5. With the ATRCA Facebook page going live we have started sharing helpful information, starting with help on practicing Catholic faith by getting most out of Sunday Mass. The Sunday Mass readings and reflections in text and audio form are now easily accessible on your mobiles through our WhatsApp and Facebook pages. Hope you can take advantage of this service to grow and help our children in Catholic faith.  
<https://www.facebook.com/atrca/>
6. As we keep working on the official logistics of the organization we are continuing to explore the ways on how ATRCA can be platform to help families with High school and college children and individuals in college, IPT/H1, job seeking and green card process. We hope to bring you some helpful resources and aids in these areas soon.
7. Meanwhile we encourage all to use the WhatsApp and Facebook resources to help yourselves and keep sharing any of your services or messages that may be useful to the group as well as any suggestions and feedback.

Thank you

- ATRCA Volunteer Team
