

# Happy New Year

31 December 2018

We are humbled and gratified as we reflect on all we accomplished together in 2018. From Launching the ATRCA Website and ATRCA Family Facebook Group, A Grand Celebration of 1st Anniversary of ATRCA and Inauguration of Charlotte Feast of St. Thomas, and initiating the valuable services to our community such as Immigration.

Join us in taking a look back on our journey through 2018.

While 2018 is certainly worth celebrating, the truth is we're just getting started! We are geared to make 2019 another banner year for our ATRCA community. To start with:

For the new year we are revamping our website to provide many services and information and make it even easier to navigate. New services include Immigration, Careers, Health, Charity, Spiritual, Family Tree etc. and a brand new state of the art secure and confidential Matrimonial service to be released soon.

We will be conducting various gatherings in all regions throughout the year to celebrate our communities across North America.

Join us in our mission by making a tax-deductible donation to help make 2019 even better. We are continuously overwhelmed by your generosity and are genuinely grateful for your support.
